How do you want to accept payments? ✕ Choose the payments integration that works best for your business. Compare payment integrations ○ **Shareable payment links** Use Payment Links to share a payment page with your customers over email, SMS, or social media. ● **Prebuilt checkout form** Use Checkout to embed a payment form on your site or redirect to a Stripe-hosted page. ○ **Embedded components** Use Elements—a suite of UI building blocks—to design a payments experience that perfectly matches your site. Don't need a checkout page? Send invoices instead **Save**

Payment UIs

You can use two different types of payment UIs with the Checkout Sessions API. **See the options in our demo**. The following images highlight which aspects of the checkout UI Stripe hosts in each option.
